ZOOM MEETING ID: 968 3203 4811
PASSCODE: 338910

*****FREE FOOD AND DRINKS WILL BE PROVIDED**

with special guest speaker **John Hammond**

CYBERSECURITY SHOP TALK: "Cybersecurity is celebrated as a booming field and fulfilling career choice – but what are the stories that no one tells you? Join John Hammond for an open session with behind-the-scenes banter on cybersecurity training, certificates and industry accolades, current events and resources. From there, we'll dive into anything that interests YOU as the group; whether it is malware, cybercrime, hot topics of career mistakes and ethical dilemmas, or anything you want to chat about in an audience-driven discussion."

About John Hammond
John Hammond is a cybersecurity researcher, educator and content creator. As part of the Threat Operations team at Huntress, John spends his days analyzing malware and making hackers earn their access. He is a well-known online YouTube personality showcasing programming tutorials, CTF video walkthroughs and other cyber security content.
